From the Desk of the Show Chair

Hello Car Enthusiasts,

July 2023

Welcome to our Doylestown at Dusk Car Show 2023, we are so glad you are here. This year has been unprecedented in responses from our incredible Sponsors, our amazing vendors, the remarkable number of cars that registered early, and the way our fans exploded our social media in response to our announcements of the show. As always, this event is sponsored and organized by your Doylestown Rotary Club.

For 2023 the planning committee has worked harder than ever to improve what we have been told is the favorite Doylestown event for so many. We are continually refining our craft from ease of registration, better sound, better lighting, a diverse group of vendors and top-quality music. We strive to provide you with the absolute best value for your time and dollar.

As Doylestown Rotarians we are so grateful for your donation, and we aim to take as much of the money paid for Registration, Sponsorships, Vendors and Advertising and invest it right back into our area to bring much needed resources to the local Not-For-Profit Organizations. These dollars benefit us all, but more importantly the most needy in our community. Our Rotary theme for this year is Create Hope in The World and you are certainly a large part of our effort.

As we all enjoy Doylestown at Dusk 2023, we hope you see the bigger picture that it is not just about trophies or accolades, or who has the best car. It is really about coming together as a community and celebrating some of the most beautiful vehicles on the streets of one of the greatest towns in the country, and counting how blessed we truly are, and sharing some of that blessing with those in need. If that resonates with you, we invite you to stop by the Rotary tent and find out how you can join our Rotary Club as we serve to Create Hope in The World. It takes just one hour a week. Thank you, because it is you, our participants, spectators and amazing volunteers that make the Doylestown at Dusk Car Show the BEST show around!

Cheers,

Helen

Throughout our printed materials and incorporated in our logo, you will note a red cardinal in remembrance of Show Founder Bruce Rutherford.

Cardinals have long symbolized a loved one who has passed away. Some believe that the bird is their loved one, returning for a visit; others see the cardinal as a reminder of their dear departed one. Whatever your outlook, every time you see a cardinal you can treasure once again the memories of someone who has gone from this world into the next. So as we remember Bruce, we hope that each time you see the cardinal on our material or in real life, you are filled with warm memories of those you love.

Remembering Bruce Rutherford

Bruce ran the Heart of Bucks Car Show before moving it onto the streets of Doylestown in 2009 renaming the show Doylestown at Dusk. Bruce was a car enthusiast who could most easily be found during working hours in his families camera shop in town and on weekends at all of the numerous car events on the tri-county area. Bruce was the face and voice of Doylestown at Dusk from 2009 to his passing in 2020. If you knew Bruce you counted him as a friend. You could not even walk around the Philly International Auto Show without running into multiple people who knew Bruce. He was passionate about numerous charitable endeavors but his greatest passion was the car show because it encompassed three things Bruce loved, classic and exotic cars, the Doylestown community, and raising funds to support those in need in the surrounding community.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster...

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

What would it take TO CHANGE THE WORLD?

Rotary International is the world's first service club organization,

WITH MORE THAN 1.4 MILLION MEMBERS IN 46,000 CLUBS WORLDWIDE.

Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio

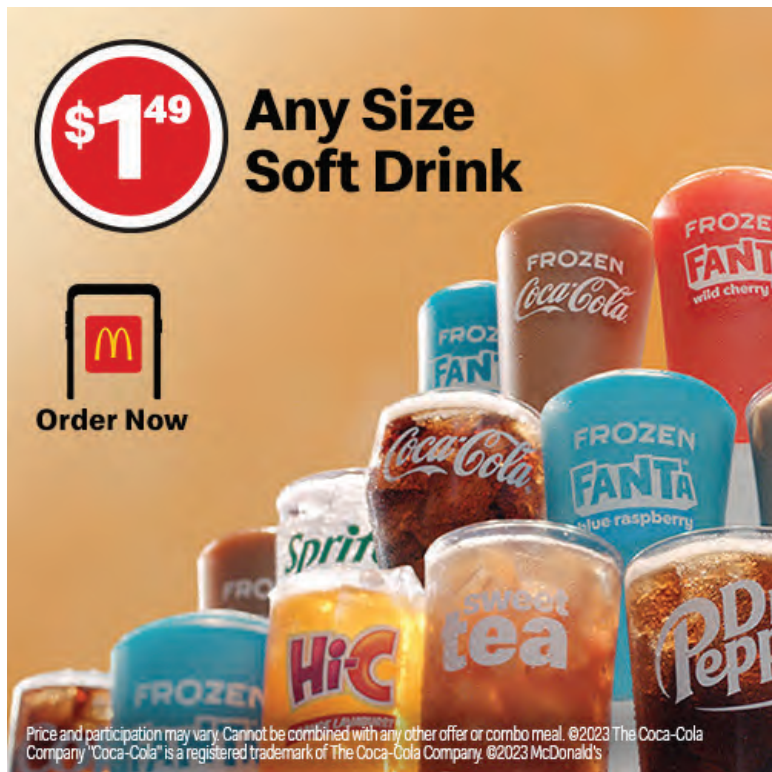

under the motto **SERVICE ABOVE SELF.**

Declaration of Rotarians in Business and Professions

As a Rotarian engaged in a business or profession, I am expected to:

- 1 Consider my vocation to be another opportunity to serve;
- 2 Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- 3 Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- 4 Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- 5 Recognize the honor and respect due to all occupations which are useful to society;
- 6 Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- 7 Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- 8 Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

What is the “FOUR WAY TEST”?

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is “The Four Way Test”, created in 1932 by Rotarian Herbert J. Taylor when he was asked to take charge of a company that was facing bankruptcy. This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers. The survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four Way Test has been translated into more than one hundred languages and published in thousands of ways. It asks the following four questions:

OF THE THINGS WE THINK, SAY OR DO...

1. Is it the Truth?
2. Is it Fair to All Concerned?
3. Will it Build Goodwill and Better Friendships?
4. Will it be Beneficial to All Concerned?

For over sixty years Rotarians have been using The Four Way Test as a practical yardstick in our business, community, and personal affairs. You will note The Test does not provide answers. It asks questions which the user must answer. Thousands of Rotarians have used it and shared it with others. Millions of copies have been distributed to students and business associates. The Test has been carved into granite monuments, displayed on billboards, written into labor contracts, printed on wrapping paper and umbrellas and has been the theme of countless awards, essay and speech contests.

The Four Way Test is the key to being a Rotarian. It reminds us that we practice high ethical standards in our everyday lives. We believe that if we can promote The Four Way Test to our community and the younger generation, it will benefit all of us.

TOGETHER, WE

INSPIRE

Rotary believes education is a right. Our more than 1 million members across the globe unite to educate and uplift students through scholarships and service. Inspiring the next generation of leaders — that's what people of action do. **Learn more at rotary.org/action.**

ShelterBox USA-Award to be given to District Governor (\$6,220)

This funding provides two shelter boxes to help a family with the essentials to survive in the immediate aftermath of a disaster. ShelterBox responds instantly following natural and other disasters by delivering boxes of aid to those who need it most. Each green ShelterBox is tailored to a disaster but typically contains a disaster relief tent for an extended family, blankets, water storage and purification equipment, cooking utensils, a stove, a basic tool kit, a children's activity pack and other vital items. <http://www.shelterboxusa.org/>

SPRINGBROOKE

Formed in early 2017, Springbrooke is a band based out of Bucks County, Pa. They provide an honest and blue collar style of music that Springbrooke dub as "Tried & True Music". Led by the vocal styling of Ryan Williams, Springbrooke takes you on a journey with heartfelt lyrics, autobiographical stories and an edge that is in your face. Williams (Lead Vocals, Guitar, Mandolin & Harmonica) is joined by Matthew Amend (Backing Vocals & Bass), Jerry Galanti (Drums), Sean Clement (Guitar & Mandolin) and Chris Conner (Lap Steel & Guitar). Springbrooke is not bound by one genre of music. Whether it is Country, Blues, Rock or Top 40, Springbrooke transcends and adds their own spin to timeless classics and present hits. Springbrooke recorded their debut album, "Tried & True" in 2018 and is now available on all media platforms and physical CD's at all shows.

"It sounds like a nation of singers backed by a full-tilt rock band...but there's no band! It's high-energy, it's unique, it's amazing and you will find yourself singing along and rockin' out like you're in the middle of an arena concert!

It's THE ROCKNROLL CHORUS! This talented act delivers all of your favorites, with a new edge. Enjoying high critical acclaim from 15 national tours, 6 full-length commercial album releases, and working with legendary artists such as Bruce Springsteen, The Chieftains, Foreigner, Jefferson Airplane, and Kenny Loggins, New Jersey-based voices-only stage show, The RockNRoll Chorus can't wait to perform for you!"

Rotary and Polio

ROTARY & GATES FOUNDATION CELEBRATE 10 YEARS OF WORKING TOGETHER TO END POLIO

Since 2013, the Gates Foundation has matched every \$1 Rotary commits to polio eradication 2-to-1.

THE DISEASE is a highly infectious and most commonly affects children under the age of five. It is most known as poliovirus. It is spread person-to-person, typically through contaminated water. It can attack the nervous system, and in some instances, lead to paralysis. Although there is no cure, there is a safe and effective vaccine – one which Rotary and our partners use to immunize over 2.5 billion children worldwide.

Since we started the fight against polio, the number of polio cases has been reduced by 99.9 percent and more than 2.5 billion children received the vaccine. There are fewer polio cases today than ever before, but we will not stop until we reach zero. If polio is not eradicated, hundreds of thousands of children could be paralyzed. Global health care costs would rise dramatically, and many children's quality of life would be drastically diminished.

Join us in the fight to end polio and help us save lives and give a child a chance at a prosperous future.

SHELTERBOX AND ROTARY

Right now, around 85 million people around the world have been displaced by natural disaster and conflict. Shelter Box and Rotary are working to change this.

By providing emergency shelter and tools for displaced families, we are transforming disaster into hope.

Each ShelterBox is tailored to a disaster but typically contains a disaster relief tent for an extended family, blankets, water storage and purification equipment, cooking utensils, a stove, a basic tool kit, a children's activity pack and other vital items.

The Rotary Club of Doylestown members support ShelterBox through a weekly raffle which enables our Club to provide a ShelterBox and supplies to two families annually. This year in 2022 we were able to raise over \$9,000 to support ShelterBox during the Ukrainian Refugee Crisis. We are striving for a world where no family is left without shelter.
